Dear Sir:

On January 15, 2005, Applicant mailed an Information Disclosure Statement (IDS) which included a PTO-1449 form listing several references. The IDS stated that the references listed on the PTO-1449 form consisted of documents cited or submitted in U.S. Patent Application No. 09/850,776 (the "Parent"). In fact, one of the documents (US 2002/0003890) is not a reference cited or submitted in the Parent, but rather is the publication of the Parent.
